DETAILED ACTION

Allowable Subject Matter

1. Claims 1-25 are allowed.
2. The following is an examiner's statement of reasons for allowance: Applicants teach a method for producing a data stream of code words of variable lengths which are divided up into a plurality of sets of code words, a raster having raster points existing for the data stream, two adjacent raster points defining one segment, and the raster comprising a plurality of segments comprising the steps of encoding an audio signal generating the code words of variable lengths, the code words of variable lengths representing the audio signal, writing the code words of the first set such that starts of the code words are at raster points of different lengths, in case the respective code word fits in the segment, writing each code word of the second set into a segment which is assigned to each individual code word pursuant to a predetermined assignment rule, wherein each code word of the second set is assigned a different segment pursuant to the predetermined assignment rule, in case only a part of the respective code word fits in the assigned segment or in case the assigned segment is full, writing the part of the respective code word of the second set into the second set into the assigned segment and storing the remainder .

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
